

THE CORPORATE FLEX PROGRAM

NO STARTUP COST.
NO CANCELLATION FEES.
NO MONTHLY CONTRACTS.

Turn parking into a **perk for all of your employees, not just the C-suite!**

With ParkChamp, access **secure, heated** underground parking on a flexible, **no contract** basis.

One credit card, multiple employee accounts.

Custom to match **your** office hours - pay for **only** what you use. Select from hourly or daily.

Savings of up to **50% when switching from regular monthly parking!**

PAY-AS-YOU-GO PARKING DESIGNED FOR THE MODERN WORK ENVIRONMENT

Employees sign-up on the **ParkChamp app**. They add their license plate (no payment method required).

Employers sign-up with a **corporate account** using their **corporate credit card**. There are **no** startup costs, monthly contracts, or cancellation fees.

The **corporate credit card** is connected to each **employee account**. Employees can have limited parking locations, limited times and days (everything is custom).

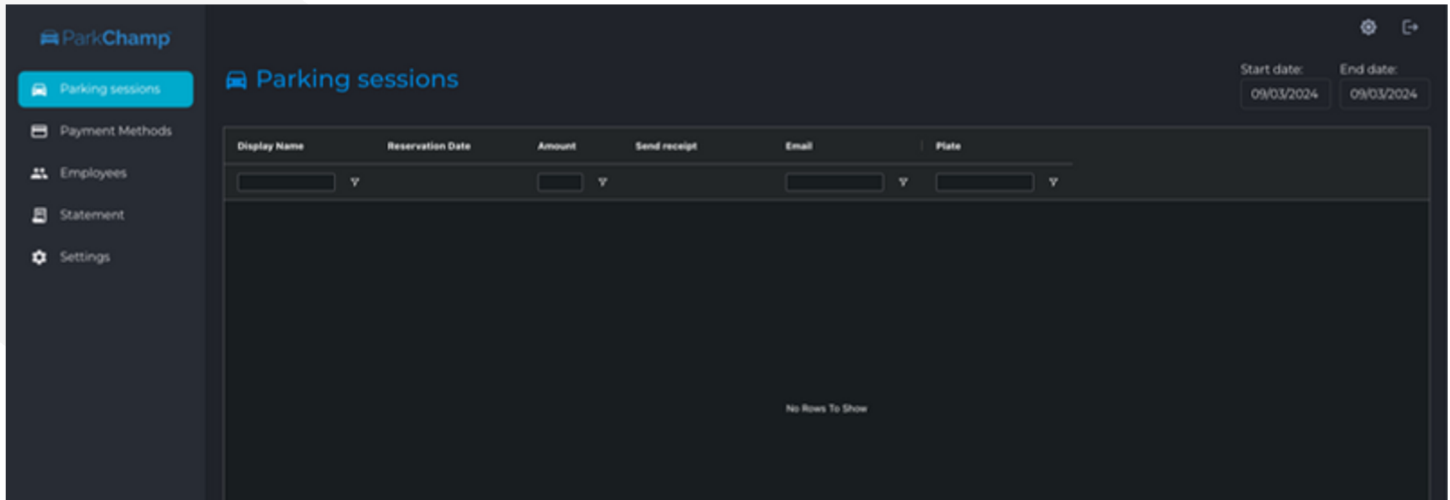

We take care of **billing, receipts** & provide **monthly statements**. This statement includes a detailed log of names, dates, and total for each parking session.

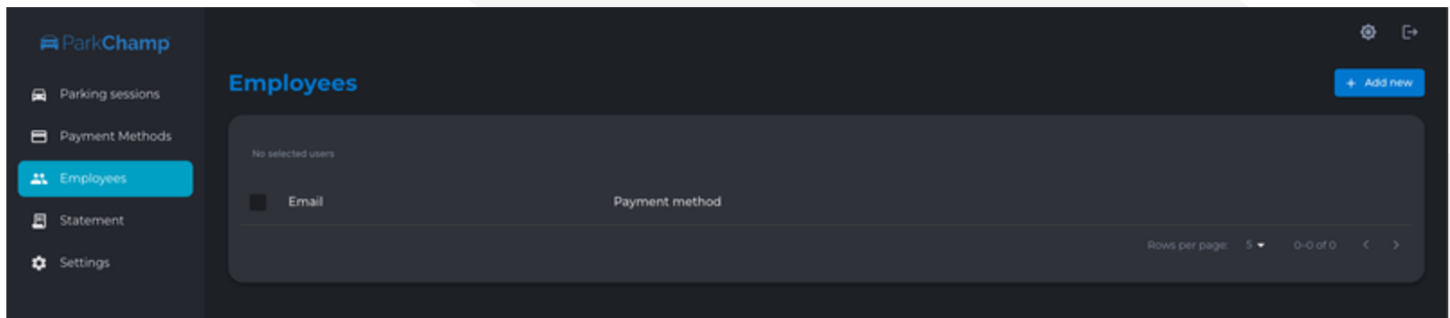

Access the portal.

ParkChamp will send you log in credentials to access the portal at flex.parkchamp.ca.

Once you are logged in, you will see the parking sessions screen. Here, you can select a start date and an end date to view filtered parking sessions.

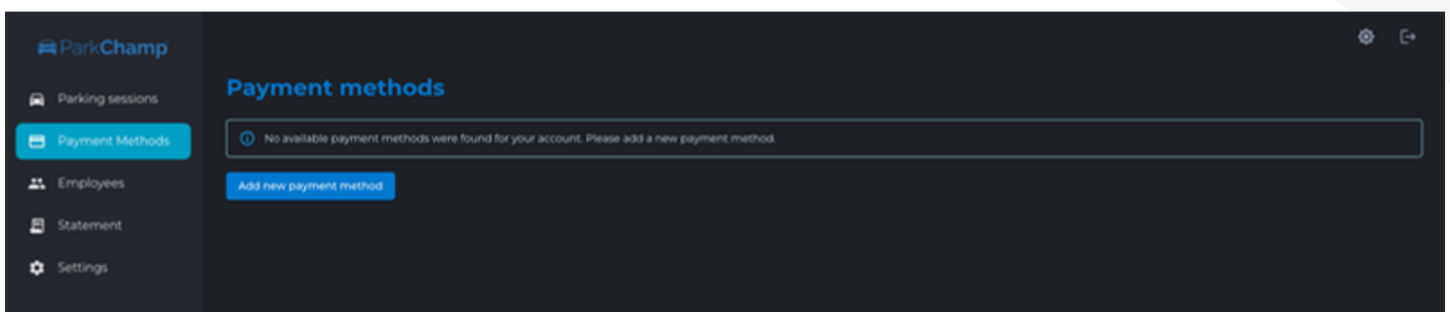

To add a parker, select “Employees” on the left hand side menu. Once you are on the page, select “Add new.”

Note: Ensure you add all the approved parkers before you add your payment methods. For any additional users, you will need to add the payment method for each new user.

To add a payment method, select “Payment Methods” on the left hand side menu. Once you are on the page, select “Add new payment method.”

Download the app & sign up.

The app is available on the iPhone App Store and the Android Play Store.

iPhone

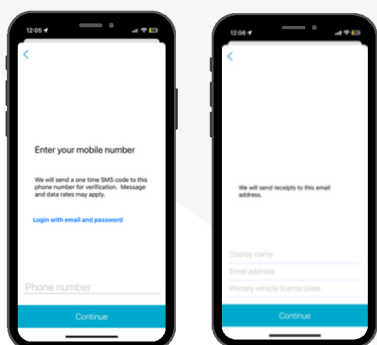

1. Open the app store
2. Search for "parkchamp"
3. Find the ParkChamp app
4. Press "Get"

Android

1. Open the Google play store
2. Search for "parkchamp"
3. Find the ParkChamp app
4. Press "Install"

The app is available on the iPhone App Store and the Android Play Store.

The employee will be prompted to add their name, email address, and license plate.

Access the parkade.

ALPR Access

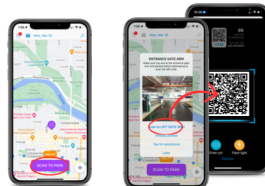

The system charges the registered payment method automatically when the vehicle enters or exits.

App Access

The user will be required to use their app to enter/exit. They must begin and end their session manually.

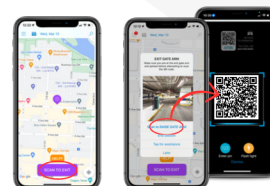

To enter:

Tap
"SCAN TO PARK"

Scan the QR code
posted at the entrance

To exit:

Tap
"SCAN TO EXIT"

Scan the QR code
posted at the exit

The system will track the usage of parking for each employee.
