## ParkChamp Step-by-Step Guide

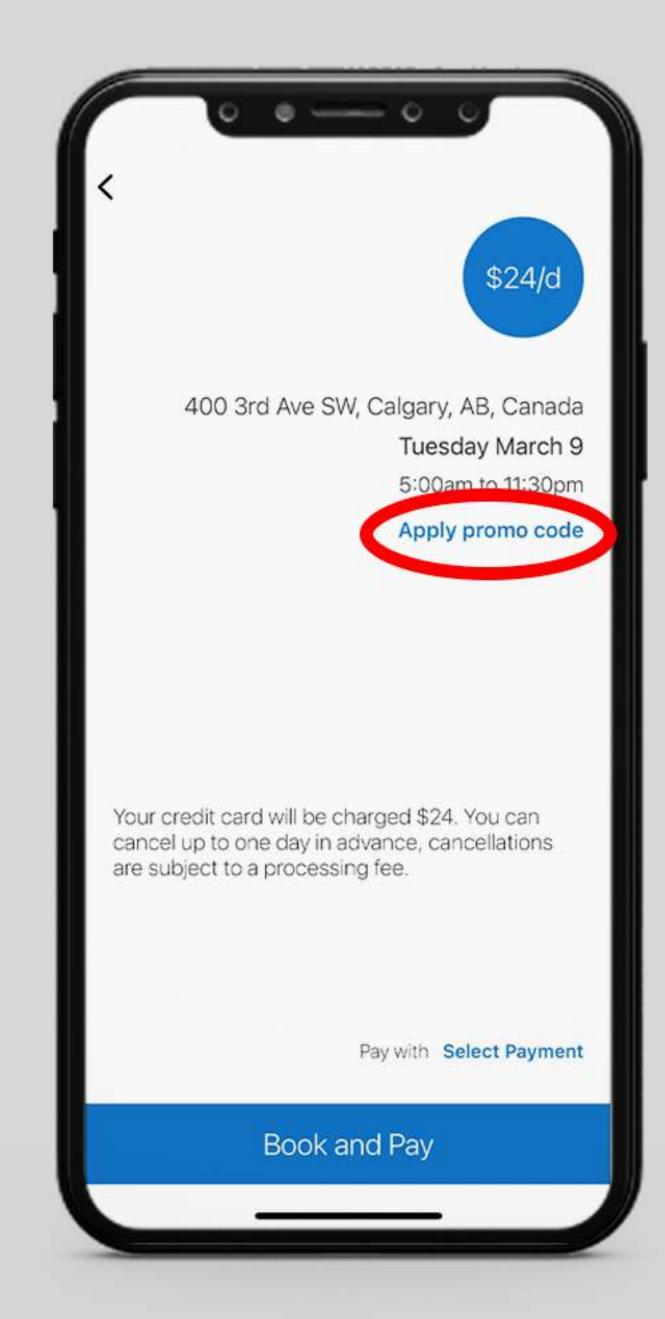

1. Download the App from the App Store

2. Tap on the desired location

3. Choose the daily option

4. Before booking, apply the promo code provided

Scan the QR code

located by the intercom

to gain entry. You do

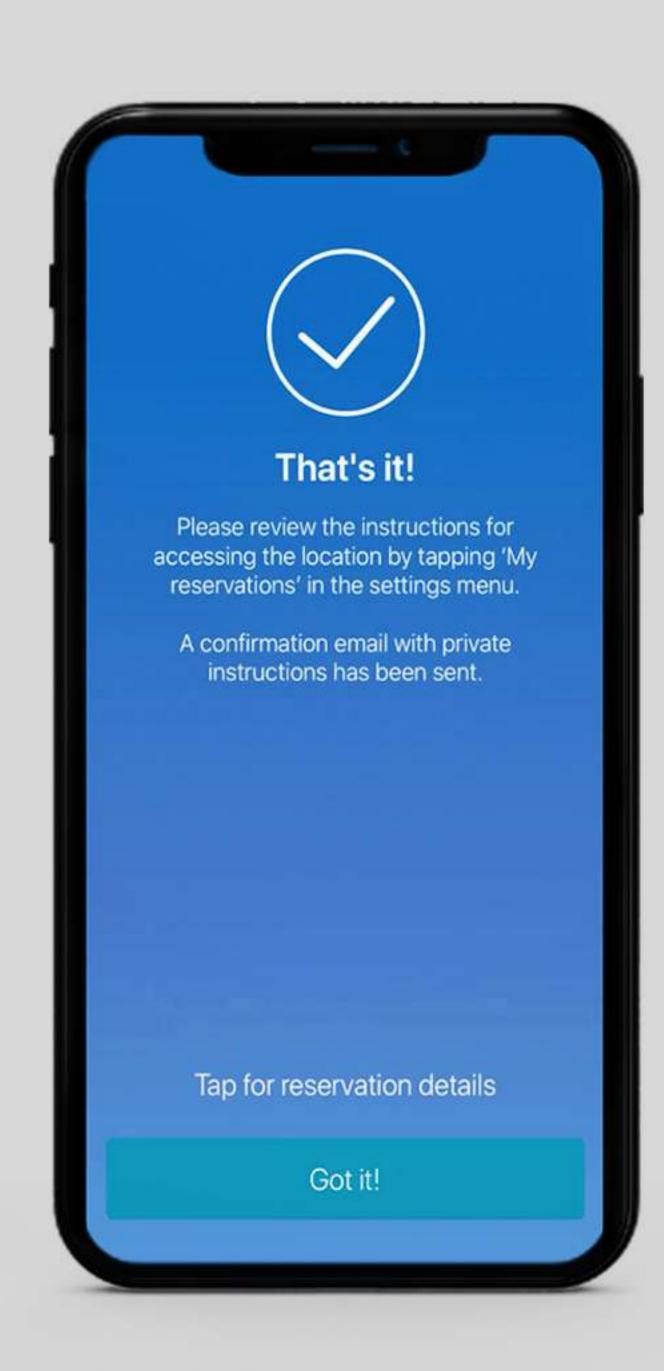

not need to roll down

your window as it's a

very sensitive reader

5. Add promo code to your reservation, then press "Book and Pay"

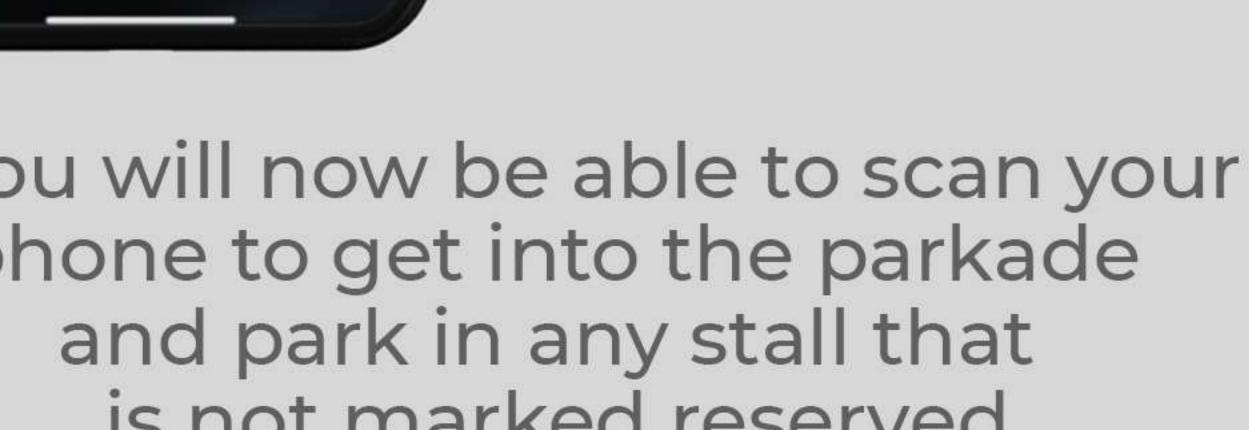

6. When you've pressed "Book and Pay" you should get to this screen. All done!

7. You will now be able to scan your phone to get into the parkade and park in any stall that is not marked reserved
